

Attainment Summary - Dhoon School

The following information provides a breakdown regarding levels of attainment in Years Two and Six at Dhoon School for the academic year 2023/24. The data does not form a complete picture of achievement at our school which is measured by the individual progress a child makes and which is reported to parents in terms of above/ below or expected progress in the End of Year Report and Parent's Evening in the Spring term. The data does not show the differences between a cohort nor the range of Additional Needs, EAL or pupils who have transferred into the school. It is a snapshot of attainment by that group of children. Dhoon School is happy to discuss any trends and welcomes feedback.
