

1 – 10 Nature Activities

1. Bird watching
 - What can you see in your garden or flying around your house?
 - How many different letters of the alphabet can you spot? (e.g. B – Blue Tit, C – Coal Tit, D – Dunnock etc...)
2. Creation of bug hotel
 - If you have a garden can you make a bug hotel using things from within your garden. (Things like sticks, stones, bricks etc. Just pile them up and leave them be)
3. Completing a piece of natural art
 - If you have a garden, can you gather things already on the floor and make a piece of art. Please do not pick living things.
4. Pine cone craft
 - If you have any pine cones and paint you can paint a picture using pine cones
5. Nature walk
 - If you have a garden you can record different natural things you see. Try and complete the alphabet, (e.g. A – Aphid, B – Bird, C – Caterpillar etc) You can sketch what you find. If you do not have a garden you could do this from your window (e.g. A – Abundance (of something), B – Bird, C – Cloud....)
6. Nature scavenger hunt
 - What natural things can you find in your garden or around your home?
7. Photo of your favourite things outdoors, sketch your photo
8. Bark rubbings – If you have any trees in your garden you can put a piece of paper against them and rub over the paper
9. Complete any wet weather activities (bird bingo, bird word search, leaf rubbings, leaf art, indoor birdwatch, draw pictures of bugs, insects, birds that have been seen)
10. For 5 minutes sit in your garden or at an open window. Close your eyes and listen to the sounds. Record how many different sounds you hear and what they are. Do this at different times of the day to hear lots of different things.
www.rspb.org.uk can help you identify birds you see
