

Hi Everyone,

How are you all doing?

I hope you are having a lovely time at home with your family and enjoying this spell of fantastic weather. It's really strange not seeing your lovely faces everyday - I'm really missing you all.

It's very strange being at home all the time, but try to enjoy it as much as you can - bake cakes, make things, play games, build dens. Its a different type of learning adventure and it won't last forever.

Last week, Miss Liggins and I were working together in Bunscoil Rhumsaa, working with key workers children. We did lots of lovely Easter activities with them as well as keeping fit each day with Joe Wicks and we also had couple of MSR sessions with Callum. These fitness sessions were REALLY hard work but I didn't give up!

Archie and Luna have been enjoying having us at home so much, but I'm sure that Archie is really missing his extra Friday cuddles!

I hope you have all had a lovely Easter weekend and have enjoyed lots of chocolate!

I have done lots of baking and arts and craft with Maisie. Have you made any rainbows at your house? We have drawn this on our window with chalk pens. They are fantastic!!! I think we will definitely need to get some for school!!!!

Please continue to send photos and videos of the fab things that you have been getting up to at home to: [enquiries@dhoon.sch.im](mailto:enquiries@dhoon.sch.im) I love to see the creative ideas that everyone is coming up with while spending time at home with their families.

Remember to stay home and stay safe and have lots of fun!

Lots of love  
Mrs Stewart  
xxx
