Wednesday 25th March

Dear Parents,

Thank you for you and your child being a part of Onchan Team Hub. We have all had a busy day today working with the children. As you can appreciate, we have maximised social distancing, health and safety whilst still ensuring that the children have the best possible time under what are difficult circumstances. We are making the most of different activities available on line so do not be surprised if your child tells you about dance classes or work outs!

Today we were lucky enough to have one of our known MSR coaches working with us who made sure the children had access to some Games sessions. We have allocated specific equipment to each school which is being cleaned after each session, again, ensuring we are all safe whilst keeping some normality. Please ensure as requested yesterday that the children's hair is tied back each day and clothing is suitable for a range of activities.

Our fabulous Onchan Chef (Geoff!) has kept us all smiling at lunchtime in our separate sessions.

Huge thanks to our team B staff who are working this week.

Stay safe and well.

Jo Richardson

Headteacher (Onchan) and Team B lead
