

DHOON SCHOOL COUNCIL CHAT

December 2024

MERRY CHRISTMAS

CHRISTMAS FAIR

Playground Purchase

The School Council has decided to allocate a portion of the funds raised through Toast Money to purchase new skipping ropes and soft balls for the playground. Skipping is a popular activity enjoyed by many of our students, and the new equipment will support an inclusive and collaborative environment, where older pupils can help and give tips to the younger children, fostering teamwork and encouraging physical activity for all.

The School Council would like to extend a huge **THANK YOU** to all of our families and the wider community for their incredible support at our Christmas Fair. Thanks to your generosity, we raised an amazing £2,448.50, which includes the proceeds from our Tea Towels. We hope you had as much fun as we did! The Council welcomes any suggestions for future games or activities. Your input is always appreciated!
