

Class 2 Nine Letter Word Challenge!

Hi Class 2!

It's Tuesday morning, so I thought we should have a go at one of our early morning favourites - the 'Nine Letter Word Challenge'.

How many different words can you make using the letters in the grid below? (Remember, you can only use each letter once unless it appears more than once in the grid.)

Can you find the nine letter word?

Have a go this morning and we'll start our lesson by sharing the answer this afternoon!

Have fun!

Mrs Shimmin 😊
