Live Lesson 1pm

Thematic/ Creative/ Play

1 Creative task from the learning grid

Please allow time for your child to engage in creative and play based activities as this stimulates their imagination and helps to develop children's fine and gross motor skills.

Also allow plenty of time for speaking and listening activities with your child, playing games, baking, listening to music and sharing stories together.

Remember to include exercise in your daily routine too! Here are just a few examples of what you might like to do: Go for a walk, play on a trampoline, dancing, Joe Wicks, Oti's Boogie Bebies, Cosmic Kids yoga.
