CLASS 2 World Book Day suggested activities

Hi Class 2!

As it is World Book Day today, we thought it would be a great idea to spend the day celebrating reading and sharing books – we hope you agree!

We have put some super World Book Day activities on our class website page for you to have a go at today. These include a set of reading comprehension tasks, a book blurb, instructions for making your own book, a scavenger hunt, colouring quotes and plenty more activities for you to have fun with! You can also find lots of ideas plus links to live sessions with authors and illustrators here: <https://www.worldbookday.com/>

During this afternoon's live lesson, we will share some of our favourite books and authors together, so please spend some time this morning gathering some of your favourites titles and thinking about why you really like them. Do you have a favourite genre, author, illustrator, style etc?

We'd love to see some photographs of you enjoying reading today, so please do send them in. Who will you read to? A parent, a pet, a sibling? Can you create a reading den? Whatever you choose to do – enjoy your books!

Looking forward to sharing with you this afternoon! 😊
