

Hi Class 2!

I hope that you're enjoying enjoying sharing books today and celebrating reading.

Here are some additional writing activities that you might like to have a go at if you get time.

*** Letter to an author**

Choose your favourite author and write a letter to them. What will you ask them? Perhaps you might like them to share some writing tips with you or to learn about the inspiration behind their books.

*** Alternative ending**

Take either a well-known or your favourite story and write an alternative ending. What will you change? How could it end differently?

*** Author profiles**

Do some 'safe' research about the important points of your favourite author's life and write a profile for them. Include their achievements and an overview of the books they've written.

*** Twisted tales**

Take a traditional tale and give it a twist! Perhaps write it from a different character's point of view, change the opening, the ending or the setting! So many opportunities to get creative!

*** Read all about it!**

Become a news reporter and write a news story based on what happens in your favourite book. Can you include a snappy headline, quotes and key facts?

*** Wanted!**

Create a wanted poster for a well known book baddie! What key features do you think your poster needs? Think about your baddie's character!
