

Class 3 'Spring Theme' Learning Grid

<p>Activity 1 Spring Reading Comprehension For this activity you will need to choose from the 'Bronze', 'Silver' or 'Gold' 'Spring' comprehension tasks on our class website page. Remember to look carefully and choose the right level of challenge for you.</p> 	<p>Activity 2 Science of Spring Life cycles of Amphibians and insects This lesson will look at the various stages in the life cycle of frogs and toads and the difference between complete and incomplete metamorphosis in insects. *In addition, new maths worksheets relating to multiplication and division will be added to the online resources.*</p>	<p>Activity 3 Spring 'Acrostic' Poetry Following on from our live lesson, we would like you to write a 'Spring' acrostic poem of your own. We have put lots of different templates for you to choose from on the website or you might even like to design your own. Enjoy this lovely task, we look forward to reading your poetry. (We have added some blank spring writing templates, too.)</p>	<p>Activity 4 Quiz : Where am I? Places in the Isle of Man A visual quiz to get us thinking about all of the wonderful places on the Island that we may be able to visit in the near future. Can you identify which towns these buildings/ places can be found in? A Manx scavenger hunt will accompany this lesson.</p>	<p>Activity 5 A quick write - 'Signs of Spring' For this short writing task you will need the Pobble 'Signs of Spring' pdf from the website page. We would like you to produce a short piece of writing using your senses to describe springtime. Perhaps you might like to go on a spring nature walk for your inspiration for this task!</p>
<p>Additional optional activities you might like to have a go at, there are some extras on our website page too.</p>				
<p>Science Challenges We have popped a link for some super Easter science challenges on our website page and have also included some science task cards for you, too. Remember to do these with a grown up, please. We'd love to see some photographs!</p> 	<p>Spring Spellings On our website page you will find some 'Spring Spelling Mosaics' to complete. Remember that there are also lots of other spelling and handwriting activities on there for you to practise if you would like to as well.</p> 	<p>Spring Bird Hunt Checklist You will find this checklist on our website page and it is a lovely way to spot the birds you see in the garden or on your daily walks. You may even like to draw some sketches of some of the birds you see or perhaps create a photograph collage of them. How many different birds can you spot this spring?</p>	<p>A quick write - 'Lambs' This is a lovely short writing task where you are asked to continue the story of a lamb's first adventure. You will find the pdf instructions and information on our class website page.</p> 	<p>Planting & growing Now is a great time to plant some seeds! Have a go at planting some seeds yourself and looking after them carefully to help them to grow. Perhaps you could write instructions for planting or keep a log as they begin to grow. What will you need to do to grow them successfully? What are the best conditions for them to grow in?</p>
