

Tuesday 13th April 2021

ONLINE LESSON

In this lesson we will:

- We will revisit the idea, 'If The World Was A Village of 100 People', to help us to better understand and celebrate diversity. We will also focus our attention once more on identifying examples of inequality and discrimination around the globe. We will view an animation found by following this link: <https://www.youtube.com/watch?v=A3nllBT9ACg>
- Have a pencil, paper and calculator at the ready, as this will be a perfect opportunity to develop and apply our understanding of fractions, especially when expressed as percentages (%).
- We will also take time to discuss and work through some of the maths 'Problems of the Day' and 'Numeracy Ninja' questions which may prove problematic for you. (Please let me know if you have any requests.)

Sound switched "ON"

Your brain, as well as your 'Dhoon High 5' and 'Values'.

Follow up challenges/ suggested learning
can be found below:

Tuesday 13th April - Follow up challenges/ suggested learning:

(Remember that these can be attempted and revisited at any time throughout lockdown. :-)

'If The World Was A Village of 100 People' - Take time to revisit this and discuss and issues and questions raised with your families. You can follow this link: <https://www.youtube.com/watch?v=A3nllBT9ACg>

- Use the data to help you develop and apply your understanding of fractions, including expressing them as both percentages and decimals, as we did during our live lesson.

- **Maths 'Problems of the Day' (1-5)** - A variety of maths problems which draw on different areas of maths. We will discuss a couple of examples during our live lesson, including ways in which steps in working out and answers may be recorded clearly.

- **Numeracy Ninja - sessions 6 and 7** - Two more opportunities for you to develop your maths skills and work to achieve your best possible scores (and ninja belts of course :-). We will continue to work together to identify question types which are proving difficult and to practise the skills which will enable us to continue improving.

- **Identifying Bird Species** - Enjoy listening to these and develop your knowledge of 7 familiar bird species:

Blackbird: https://youtu.be/WTqW_igU2tM

Dunnock: <https://youtu.be/uX6N78iuTLA>

Goldfinch: https://youtu.be/_K7P_N_6q1o

Great Tit: https://youtu.be/3vhyww_bZJ0

House Sparrow: <https://youtu.be/XSIteotiacM>

Robin: https://youtu.be/su3n_nSTWFM

Starling: <https://youtu.be/gInW7J2GfxA>
