

Specific Issue	Risk			Actions including messages to mitigate the risk during Dhoon School Christmas Concerts 2021	Residual			Who	Notes
	L	S	R		L	S	R		
Mitigation against community spread (General)									
Where an increased risk is present in the community (e.g. unknown impact / threat of Omicron variant)	5	4	20	Consistent general reminders for general hygiene 'Hands, Face, Space and Fresh air'	4	3	12	Staff	IOM Government produced signage on display
	5	4	20	Effective handwashing facilities and soap available in all areas	4	3	12	Staff	Hand sanitizer station fixed at entrance point to the concerts
	5	4	20	Increased hand sanitizing opportunities	4	3	12	Staff, pupils, visitors	Hand sanitizer bottles positioned plentifully in concert hall
	5	4	20	Increased ventilation in the hall	4	3	12	Staff	Concert taking place in school hall. Both sets of double doors opened throughout. All top windows opened throughout
	5	4	20	Communications displayed across school in all areas	4	3	12	Staff	IOM Government produced signage on display
	5	4	20	Children to wash hands on arrival from home and before they leave	4	3	12	Staff and pupils	Children will wash hands on entry to the school (for evening performance)
Mitigation (specific for concerts)	5	4	20	Face-coverings available for all adults, including staff and parents	4	3	12	Staff, visitors	Disposable face masks in stock. Will be visible and widely available at the concerts, including on the chairs.
	5	4	20	No shared equipment where possible - any equipment used to be cleaned after use	4	3	12	Staff	Classes have their own equipment
	5	4	20	Increased messaging around expectations for face coverings	4	3	12	Staff	School will message expectations via website and social media prior to event, and through signage at event.
	5	4	20	Increased cleaning of high volume touch points during the event	4	3	12	Staff	School caretaker to wipe down door handles, touch points and surfaces every 15 minutes during the event.
	5	4	20	Consistent general reminders for general hygiene 'Hands, Face, Space and Fresh air'	4	3	12	Staff	As above.
	5	4	20	Limit time that gatherings of people can form	4	3	12	Staff, visitors	Reduce duration of event - no refreshments offered so as not to encourage "lingering / socialising."
	5	4	20	Physical distancing of at least 2m between children on stage and the first row of seats in the audience					Children will not wear a mask for the performance, therefore they need physical distance from audience.
	5	4	20	Increased ventilation in all rooms where possible	4	3	12	Staff	As above + messaging in advance to advise people to wrap-up due to increased ventilation and possible temp drop.
	5	4	20	The number of people in a communal area at any one time to be kept to a minimum	4	3	12	Staff	Signage around the hall encouraging people to "space" rather than congregate (e.g at photo stall.)
	5	4	20	Attendees, including staff, encouraged to complete LFT prior to event	4	3	12	All attendees	Comms via website and social media to encourage parents to complete an LFT and await a neg result before coming to the event.
	5	4	20	Any equipment used to be cleaned after use	4	3	12	Staff	Equipment and school hall cleaned as soon as event ends (straight away).
	5	4	20	High risk staff members / staff members with medical vulnerabilities are not expected to attend	4	3	12	Staff	Option to withdraw from attendance is given.
	5	4	20	Limit number of people attending the event.	4	3	12	Visitors	Messaging prior to fair to encourage families to bring a max. two adults per child rather than the whole family.
